Employment Details

Aug, 2023 - Present — **Assistant Professor** in School of Computer Science Engineering and Technology at Bennett University, Greater Noida, India.
- **Subjects:** Machine Learning, Web Technologies, Data Structure, Cloud Computing, Design and Analysis of Algorithms
- **Responsibilities:** Faculties SCI (E) Publications Monitor
- **Member:** Anti Ragging Cell

Sep, 2015 - July, 2023 — **Assistant Professor** in the Department of Computer Science and Engineering at Gurugram University, Gurugram, Haryana, India.
- **Subjects:** Software Engineering, Web Technologies, Data Structure, Computer Network, Design and Analysis of Algorithms
- **Member:** Examination Cell, Scholarship Cell
- **Responsibilities:** Deputy Chair Data Center, Deputy Chair Student Outreach Programme

Aug, 2012 - July, 2013 — **Lecturer** in the Department of Computer Science and Engineering at Gautam Buddha Technical University, J. P. Nagar, Amroha, India.
- **Subjects:** Cloud Computing, Data Structure, Computer Network
- **Responsibilities:** Time Table Coordinator

Educational Qualifications

2023 — **Ph.D.** from *Faculty of Engineering and Technology, Jamia Milia Islamia University* (ranked 3rd among Indian universities (NIRF 2023, 2024) and awarded A++ by NAAC-India), New Delhi, India.
Percentage: **84.75%**
Thesis title: *Securing Cloud-Based Encryption Key Management Platform*
Supervisor: Prof. Shabana Mehfuz (Professor), JMI

2015 — **Master of Technology (M. Tech) in Computer Engineering** from *Maharshi Dayanand University*, Rohtak, Haryana, India.
Division: **First with Honours (79.90%)**
Dissertation title: *Recommender System for Software Requirements Negotiation and Prioritization*
Supervisor: Dr. Mohd Sadiq (Associate Professor), JMI

2012 — **Bachelor of Technology (B.Tech) in Computer Science and Engineering** from *Gautam Buddha Technical University*, Uttar Pradesh, India.
Division: **First with Honours (77.54%)**

2015 — **Certificate Course in Portuguese Language (Part-Time, 2015)** from *Jamia Milia Islamia University*, New Delhi, India

Granted/Published Patents

1 Ahmad, S. (Sept 2021[a]). *A new method of data sanitization for the privacy protection of cloud data in cloud computing*. Australian Govt. Patent No. 2021102595.

2 Ahmad, S. (Sept 2021[b]). *A novel multilevel optimization for task scheduling and load balancing in cloud*. Australian Govt. Patent No. 2021103249.

3 Ahmad, S. (May 2021[a]). *A system for resource aggregation to the cloud with optimal path detection*. Indian Patent Application No. 202141020723, The Office of the Controller General of Patents, Designs and Trade Marks (CGPDTM), New Delhi.

4 Ahmad, S. (June 2021). *An efficient iris recognition system with complete local ternary pattern feature extraction and classification method*. Australian Govt. Patent No. 2021102309.

5 Ahmad, S. (Sep, 2022). *Cyber attack prevention system for automotive system based on artificial intelligence*. South African Govt. Patent No. 2022/08301.

6 Ahmad, S. (May 2021[b]). *Integrated solar panel as per sun direction using ai-based programming system*. Indian Patent Application No. 2021111017841, The Office of the Controller General of Patents, Designs and Trade Marks (CGPDTM), New Delhi.

7 Ahmad, S. (May 2021[c]). *Isystem for control manage artificial intelligent speaker functionality and operation using electronic pen*. Indian Patent Application No. 2021311016697, The Office of the Controller General of Patents, Designs and Trade Marks (CGPDTM), New Delhi.

8 Ahmad, S. (Aug, 2023). *Portable quick response (qr) code reader*. United Kingdom Design Patent No. 6303882.

9 Ahmad, S. (May 2021[d]). *Secure long range device to communication methods for iot devices using low power wide area network (lpwan)*. Australian Govt. Patent No. 2021102086.

10 Ahmad, S. (Sep, 2023). *Self-adjusting webcam*. Indian Design Patent Number-380130-001, The Office of the Controller General of Patents, Designs and Trade Marks (CGPDTM), New Delhi.

Awards

2024 **Research Design Innovation Award:** Awarded by Bennett University during the Dean's Research and Excellence Award Ceremony 2023-2024, held at Bennett University.

2019 **Best Faculty Award:** Awarded by Mewat Engineering College, Nuh, at Capacity Building and Energy Conservation Workshop on Energy Conservation.

Professional Experiences

2025 **Session Chair:** Recent Trends in Renewable Energy and Advancement in Engineering and Technology (RTREAET-2025), Mewat Engineering College (WAQF), Technically Sponsored by Haryana Renewable Energy Development Agency (HAREDA) Section.

2024 **Co-Session Chair:** Global AI Summit 2024, An IEEE Conference Organised by the School of Computer Science Engineering and Technology, Bennett University, Greater Noida, India.

2023 **Track Chair:** Recent Trends in Renewable Energy and Advancement in Engineering and Technology (RTREAET-2023), Mewat Engineering College (WAQF), Technically Sponsored by Haryana Renewable Energy Development Agency (HAREDA) Section.

Skills

Programming	C · C++ · Python · PHP
Web Development	HTML · CSS
Server	Xampp
Cloud Applications	Amazon AWS EC2
Simulators	CloudSim
Database	mysql · mongoDB
Software Packages	Matlab · LaTeX

Online Courses

Duke University	Introduction to Machine Learning
University of California	Introduction to Search Engine Optimization
University of Michigan	Introduction to HTML 5
University of London	Get Interactive: Practical Teaching with Technology
University of Illinois	Cloud Computing Applications, Part 1, Cloud Systems and Architecture
AWS	AWS fundamentals: Going Cloud Native
Duke University	Programming Fundamentals
Udemy	Fundamentals of Cloud Computing
The State University of New York(SUNY)	How to Write a Resume (Project-Centered Course)
the University of California, Irvine	Introduction to Project Management Principles and Practices
Amazon Web Services	Getting Started with AWS Machine Learning
University of Toronto	Introduction to GIS Mapping

Online Courses (continued)

Google Cloud	Introduction to Cloud Identity
University of Michigan	Programming for Everybody (Getting Started with Python)
University of California, Irvine	The Arduino Platform and C Programming
	Introduction to Internet of Things and Embedded Systems
	Project Management
New York University	Cyber Attack Countermeasures
	Real-Time Cyber Threat Detection and Mitigation
	Enterprise and Infrastructure Security
	Introduction to Cyber Attacks
University of California San Diego	Introduction to Big Data
Arizona State University	Data Management in the Cloud
University of California, Irvine	Managing Project Risk and Changes
	Initiating and Planning Projects
	Budgeting and Scheduling Projects
Duke University	Programming Fundamentals
Stanford University	Cryptography I
LearnQuest, Coursera	Developing AI Applications on Azure

Summer School/Short-term/Refresher Courses

8 Weeks — **Summer Faculty Research Fellow Programme** from 16 May 2023 - 14 July 2023 Hosted by ***Indian Institute of Technology (IIT)****, Delhi.*

4 Weeks — **Induction/Orientation Programme** from June 04-July 01, 2020, organized by the Teaching Learning Centre, Ramanujan College, University of Delhi under the aegis of Ministry of Education, Govt. of India.

2 Weeks — **Refresher Course in Computational and Mathematical Sciences** from October 22nd - November 05th 2021, organized by the UGC-HRDC, Jamia Millia Islamia New Delhi.

1 Week — **Faculty Development Programme on Data Analytics Using Python** from 3rd June - June 07th 2024 conducted by ICT Academy (Govt. of India) at Bennett University, Greater Noida, India.

Short Term Course on Outcome Based Curriculum from June 25 - June 29, 2018 conducted by Curriculum Development Centre at NITTTR, CHANDIGARH.
